# Manufacturing & Technology

## The Right Choice For You!

Jefferson State's Manufacturing Technology Program prepares students for employment in industries such as industrial equipment maintenance, automation, robotics, biomedical equipment technology, industrial and commercial electronics, and computer aided drafting/design (CADD).

Students get the hands-on training needed to excel in today's job market. A variety of student options are available, such as:

- Certificate Programs
- Associate Degree Programs
- Dual Enrollment/Dual Credit
- Early College Enrollment Program
- Transfer Option to JSU's BS Program
- High School Credits per State Policy

Jefferson State can prepare you for an exciting career in technology and manufacturing.

## Income

Manufacturing jobs are among the highest paying positions in Alabama today.

## High-Tech

Join the fast changing world of manufacturing technology. Stop thinking about the future, **BECOME PART OF THE FUTURE!**

## Prestige

Make your dreams a reality. The house, the car, the life. There is **nothing you can't do!**

## Respect

Earn your degree, earn respect. Take pride in yourself! **START TODAY!**

## Great Careers & Starting Salaries!

### Biomedical Equipment Technology

**Earn Up to \$49,000 a Year!**

- Maintain, Repair, Calibrate Electronic Equipment
- Medical Controls

### Automotive/Automated Manufacturing

**Earn Up to \$43,000 a Year!**

- PLC's
- Motor Drives
- Robotics
- CIM
- Hydraulics/Pneumatics

### Electronics

**Earn Up to \$43,000 a Year!**

- AC/DC Circuits
- Digital Circuits
- Motor Drives
- Electronics

### Industrial Technology

**Earn Up to \$42,000 a Year!**

- Welding
- Robotic Welding
- Mechanical Systems
- Machining

### CADD

**Earn Up to \$40,000 a Year!**

- Computer Aided
- Drafting
- Design & Modeling
- 3D Printing
- GD & T
